WORK EXPERIENCE

Azora Capital

Real Estate Investments Summer Analyst

Madrid, Spain

Jun 2025 – Aug 2025

- Underwrote nine value-add senior housing investment opportunities (three portfolios, six single assets) across Belgium, France, Germany and Spain, valued at €250M+, combining DCF and sensitivity modelling with expert calls and direct interactions with operators to support acquisition decisions
- Developed the Senior Living Investor Pitch Deck for prospective LPs, highlighting a €350M+ pipeline of opportunities by region and asset type, incorporating European demographic trends, supply-demand gaps, competitor analysis and showcasing firm track record to support fundraising strategy

Westmont Hospitality Group

Hotel Investments and Asset Management Summer Intern

London, UK

Jun 2024 – Aug 2024

- Performed market research and financial modelling for 5 investment opportunities, building supply-demand models, P&Ls, investor presentations and cash flow forecasts in Excel
- Supported due diligence on prospective acquisitions through underwriting, feasibility and market segmentation analysis, site inspections and review of legal and financial documents
- Assisted in valuing 10+ distressed hotels in France and analysed court documents related to competing bids

Louis Bachelier Institute

Sustainability Research Intern

Paris, France

Jun 2023 – Sep 2023

- Coordinated and video-edited three seminars featuring industry and academic leaders from Europe, Canada and Africa on land scarcity, sustainable building and water resource management in the real estate and urban sector
- Authored a 60-page reference report, [City Resilience Against Climate Change](#), combining seminars' insights and independent research, to advise 500+ mayors of the *Association Internationale des Maires Francophones* on structuring green urban policies and guiding stakeholders in resource and infrastructure projects

EXTRACURRICULAR ACTIVITIES

Schroders plc

Campus Ambassador

London, UK

Aug 2025 – Dec 2025

- Built a Schroders student community on campus driving awareness of the firm's career opportunities and expanding talent outreach via society partnerships, social media and networking events

UCL Student Societies

Head of Alternative Investments, UCL Investment Fund (£15k AUM, +15% YTD)

London, UK

Oct 2025 – Jun 2026

- Led a 10-analyst team conducting research and portfolio strategy (REITs, Infrastructure, Private Markets)

Head of Sponsorships, Green Economy Society

Sep 2025 – Jun 2026

- Oversaw the fundraising campaign for the Society's flagship events and developed corporate research partnerships to quantify the ESG impacts of asset managers' sustainable investments

Education Officer, Francophone Society

Sep 2023 – Jun 2024

- Launched free French classes for 60+ UCL students, recruiting tutors and designing course curriculum
